**COMPANY
PROFILE**

ABOUT COMPANY

BACKED BY A WEALTH OF
10 YEARS IN CLEAN RELIABLE AIR
CONDITIONING AND HVAC
EXCELLENCE.

Ukhozi Mweusi is Gauteng's leading HVAC and air conditioning company. Our operational footprint spans across Gauteng and nationally as we endeavor to bring service excellence and value for money to our customers.

Ukhozi Mweusi installs, repairs and services air conditioning systems to domestic, corporate and industrial clients. We offer tried and tested, reliable and cost-effective services.

The company was established in 2016 following the founder's passion for air conditioning services backed by a wealth of over 10 years experience in the field. To date the company employs more than 15 skilled technicians, accredited by LG and has served over 200 clients across the country. Our reliance on quality systems enable us to compete rigorously with large enterprises while ensuring commitment to service and quality.

AND SOLUTIONS.

OUR VISION

‘To be a leader in the provision of innovative air-conditioning and refrigeration services which constantly exceed customer’s expectation in terms of pricing and quality’

Ukhozi Mweusi is an accredited installation agent for LG Air-Conditioning and employs only highly experienced technicians.

Ukhozi Mweusi (Pty) Ltd is the cutting edge of new innovative systems as the company is able to enter and participate in new markets. The future is in the hands of clients, therefore, we embrace their support because they are the drive behind any successful company.

Our promise is to deliver world class air-conditioning and refrigeration services and solutions that exceed customer expectations while earning equitable returns needed to sustain our business.

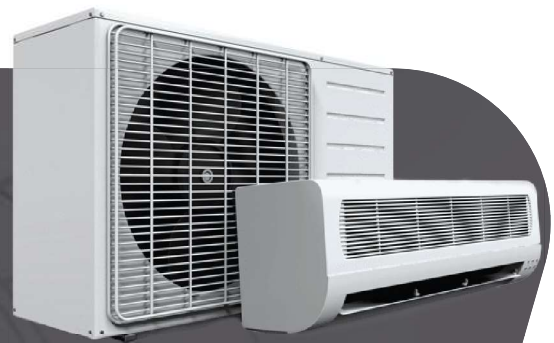

& MISSION STATEMENT

- Target the growth of the industry, taking advantage of technological prospects and what they have to offer.
- Creating real time employment opportunities for the community.
- Building a better business with exceptional governance principles.
- Ensure training and skills development within the company.
- Achieve and maintain profitability to ensure growth and job security.

CORE VALUES

- Highest level of commitment to service and quality
- Lasting trust relationships with all stakeholders
- Integrity
- Value for money

We boast a successful track record of delivering high-quality installations for over 10 years.

WHAT WE HAVE TO OFFER

We supply and install quality air-conditioning for heating and cooling, ventilation, refrigeration and the dehumidification of indoor air for thermal comfort.
